The Beneteau 393 combines extraordinary interior comfort, space, light and ventilation. The design offers a unique combination of elegant lines with extraordinary space and performance. The Beneteau Oceanis 393 boasts more features and comforts than most boats of its size. This yacht is available as a bareboat or skippered at an additional cost. The yacht has three double cabins and room for two to sleep in the main saloon. The roomy forward cabin has its own en-suite head. The other head is situated in the main saloon with a second door leading into one of the rear cabins. The galley has a large fridge freezer, three ring hob, oven and microwave oven.
